Capt Moon Fun Chin September 26,27,28 departing the 29th.

We will be staying at the new Quality Suites located near the
San Francisco Airport. There is a complimentary shuttle service
to and from the airport. You may make your reservations by
calling: 888-547-2001. Tell them you are with the CNAC group
and make your reservations no later than August 1st as they are
reserving a block of rooms for our group. PLEASE wear your
name tags, if you place them in your suitcase now they will be
available when the day arrives. We know all of you but many do not
recognize one after not seeing them for a year or two. The first
night there you will have dinner on your own. Second evening we
are invited to dine with our Host. Saturday night we dine at a
wonderful Chinese restaurant, excellent food. Complete form below
and mail to me with your check. Should you find it necessary to
cancel your trip, for whatever reason, contact me and I will return
